Dear [Name],

I hope this message finds you well. I am writing to inquire about the status of the project we have been working on. As discussed during our last meeting, the project is progressing well, but there are a few outstanding issues that need to be addressed. I have compiled a list of tasks that need to be completed by the end of the week. Please review the attached document for more details.

Thank you for your attention to this matter.

Best regards,
