[Ano97-62] Anonymous. Laser color, inexpensive and quick — Xerox’s DocuPrint. *Byte Magazine*, 22(8):40, January 1997. CODEN BYTEDJ. ISSN 0360-5280. Some McNealy quotes: “And I’m urging every CEO to make sure it [Windows] runs really slowly, so people stop using that stuff. The right way is to ban PowerPoint from your company.” “I banned PowerPoint from my company and we have had the best two quarters we’ve ever had…” “I want to give everybody plastic Mylar sheets and all the pens they need to scribble on them. And I said use what I call the [Sun cofounder] Bill Joy font. You can see where he licked his thumb and erases; it’s so much faster.”.
