[DR94] John December and Neil Randall. *World-Wide Web Unleashed*. Howard W. Sams, Indianapolis, IN 46268, USA, November 1994. ISBN 0-672-30617-4. 1058 pp. LCCN TK 5105.875 I57 D43 1994. US$35.00, CDN$47.95. Computer Literacy Bookshops says: Not only the largest book on the Web, but also the most complete. 300 pages cover fundamental concepts and individual Wab browsers for different platforms. Covers navigation and searching techniques and list web sites by subject. Written by a team of WWW experts, the best part is the inclusion of details on technical information. Loads of information on designing and creating a Web site, working with HTML editors and filters, creating forms and image mapping.
