2 Second section

First some well known English phrases in an abcedarian sentence.

This is an example of the Roman Rustic font. Now is the time for all good men, and women, to come to the aid of the party while the quick brown fox jumps over the lazy dog.

These are two Latin abecedarian sentences dating from about DCCXC.

Te canit adcelebraiqve polvs rex gazifer hymnis. Trans zephyriqve globvm scandvni iva facia per axem.

This is the end of the test file, with this sentence being typeset using the Computer Modern Sans font in the point size as specified for this document; you should see a large baselineskip.
